

Shrublands & Lowlands

6 Bed Property For Sale in St. Lawrence

Description

A remarkable opportunity to acquire a truly multi-generational property with extensive scope for further development. Shrublands and Lowlands combined present a rare chance to either enhance the existing dwellings and outbuildings or to create a notable new country estate — a blank canvas on which to design and construct a home to your own exacting specification. The opportunities are vast, all subject to achieving the relevant planning permissions, and we recommend early consultation with architects to explore the possibilities. Discreetly positioned at the end of a private drive and set within just under 10 acres of grounds, the estate currently comprises two dwellings together with an indoor swimming pool (unused), a superb cabin-style...
