3 Bed Property For Sale in St. Helier

Description

This immaculately presented detached three-bedroom family home, built in 1980, is set in a peaceful close of just eight properties on the St. Helier/Trinity border, with scenic country walks right on the doorstep and the town centre only a short drive away. The ground floor offers a welcoming open plan sitting room, kitchen and dining area, featuring a wood-burning stove and opening into a bright conservatory with direct access to the garden. Upstairs are three generous double bedrooms served by a family bathroom, with an additional cloakroom on the ground floor. Outside, the attractive garden enjoys both east and south-facing aspects, providing excellent light throughout the day. The property further benefits from driveway parking for one...
